Kirktonholme Primary School Nursery Class

Sponsored Obstacle Grand Total

You raised the fabulous amount of
£756.50!
Thank you!

Stay and Play

Thank you to everyone who attended
our recent stay and play sessions. More
sessions are planned for next term.

New Resources

Due to your fabulous fundraising
efforts we have been able to purchase a
new police car, fire engine, pink car,
sand, scooters and hoppers. These
resources were all requested by the
children.

Loose Parts

You may be aware of the push to include
loose parts objects in nurseries for
children to explore and play with.
The use of loose parts has been
embedded in our nursery for the last
few years. Incorporating loose parts
into nursery allows our children to have
the opportunities to play with objects
found in their everyday environment
such as keys, bark, soil, pebbles, wood,
etc. We have added the potatoes that
we grew in our nursery garden as well as
seasonal vegetables to our nursery
environment. We have also added some
fragrant pot pourri!

Parents' Evening

Our first Parents' Evening of the
session is on Thursday 14th November.
These meetings give families a valuable
opportunity to discuss their child's
progress and next steps with key
workers. If you are unable to attend
please speak to Mrs Moran and she will
organise at time during the nursery
session for you to meet with your child's
key worker.

Spare Clothes

If you have any clothes your child has
grown out of, that would be suitable for
nursery aged pupils, please consider
donating them to our nursery.

Focus

Our current focus is People Who Help
Us.
Thank you to the parents who have
volunteered to come into nursery to talk
about their careers with the children.
If anyone has a job that you think would
be interesting for the children to learn
about during this focus, please speak to
the nursery team. We would be
delighted to welcome you into our
nursery.
On Tuesday 5th November we have
arranged toothbrushing talks for all the
children.
On Wednesday 13th November we are
very lucky to have the RNLI coming in
to speak with children in both nursery
sessions.

Road Safety Week

Wednesday 20th November to Friday 22nd November is our Road Safety Week. Our nursery children will be working closely with our Primary Seven pupils and they will both be sharing their work at a school assembly. We are looking forward to seeing the results of the team's hard work.

Parents' Coffee Time

Our next coffee morning/afternoon will be on Tuesday 26th November at 9am/1pm. Coffee times are informal and a great way to make new friends and catch up with old ones. Everyone welcome!

Community Links

Mrs Thorpe has forged strong links with McKillop Gardens Care Home in East Kilbride. This month some of our morning and afternoon children will be chosen to visit McKillop Gardens and entertain some of the residents. We hope to give as many children as possible the opportunity to visit McKillop Gardens during the course of this session.
